

Application No.: Not Assigned
Amdt. dated Feb. 9, 2004

REMARKS

Claims 1-15 have been cancelled. Claims 16-19 remain in the case.

The present application is a divisional application of U.S. Patent Application Serial No. 08/770,609 filed December 19, 1996 for which a Notice of Allowance was mailed on October 30, 2003. Claims 16-19 were cancelled from Application Serial No. 08/770,609 without prejudice in response to Examiners restriction requiring an election between group I, original claims 1-15, and group 2, original claims 16-19. Thus, the present application speaks to the previously non-elected claims.

Respectfully submitted,
